Objective

Results-oriented Developer skilled in building scalable, data-driven applications. Strong technical and analytical abilities with a focus on efficient, high-performance solutions.

Technical Skills

- C
- C++
- HTML
- CSS
- Tailwind CSS
- JavaScript
- React.js
- Node.js
- SQL
- DBMS
- Python
- Machine Learning
- Git & GitHub

Experience

Development Intern

Sep 2025 – Present

Wetala Technologies Pvt. Ltd. (Remote)

- Selected through a technical evaluation for a 6-month internship in full-stack development.
- Developed scalable web applications using React.js, Node.js, Express.js, and MongoDB.
- Collaborated with the development team to implement full-stack features and enhance UI/UX.
- Followed Agile development practices and reported progress directly to the Development Manager.
- Successfully delivered assigned tasks within deadlines while maintaining professionalism and confidentiality.

Education

B.Tech in AI & Data Science

2022 – Present

East Campus, Guru Gobind Singh Indraprastha University, Delhi

GPA: 8.76/10

Senior Secondary (12th)

2020

P.B.P.S.S. School, Saharsa

81.6%

Secondary (10th)

2018

PCS Sakarpura, Saharsa

75.6%

Projects

Sinoxis Digital

GitHub

- Built a complete full-stack music platform independently, including admin backend, admin UI, and client UI.
- Developed responsive frontends using React.js for both admin and client interfaces.
- Implemented backend services using Node.js and Express.js to manage artists, content, and platform operations.
- Integrated MongoDB for structured storage and retrieval of artist profiles, media, and metadata.
- Designed end-to-end workflows for artist onboarding, data management, and content publishing.

E-Shop E-commerce Website

GitHub

- Developed a responsive e-commerce platform using React.js and Tailwind CSS.
- Implemented modern UI components and interactive shopping features for an enhanced user experience.
- Designed product listings, cart functionality, and checkout flow for smooth navigation.
- Optimized frontend performance and ensured mobile-first responsiveness.

Soft Skills

- Communication – Explain technical concepts clearly to all audiences.
- Adaptability – Quickly learn new tools and handle changing requirements.
- Problem-Solving – Analyze and resolve technical challenges effectively.
